FULL TEXT

Emerson tells us that snow shouldn't affect Tuesday's screening of "The Wolfpack," the documentary about the Angulo brothers, who spent their lives watching and reenacting movies in a Lower East Side apartment. Members of the family will speak after the 7 p.m. screening, which will be held in the Paramount Center's Bright Family Screening Room. The event is co-sponsored by the UMass Boston Film Series and Emerson's Bright Lights Film Series. Also making an appearance -- via Skype -- at the Paramount Center on behalf of the Bright Lights series this week is producer Anne Carey, who is set to speak after Thursday's free screening of "The Diary of a Teenage Girl." Carey also produced "Adventureland" and "The Savages."
