

Meeting #: 6**Location: Semel Lobby****Day/Date: Friday, 2/27/15****Start: 10:33a****End: 11:06a**

General:

1. Today we focused on scenic given the multiple changes that are occurring to make room for electrics on linesets.
2. Please email any direct concerns or questions to stage or production management.

Scenic:

1. Pallets have been reduced to 2, possibly 3, a discussion is to follow.
2. Several cuts have been made as well as linesets being moved, new CAD drawings will be available soon!
3. Dan has emailed as well with discussions/meetings that will occur as follow ups.
4. Keith has established that no more than 3 people should stand in a bay of the upper level at a time for safety.
5. The Rolling Platform in the Rooftop scene will be operable by one person, and now come from USR.

Props:

1. Cut the following: large lamp in Gussie and Joe's, Table with Sheet Music in Opening Doors.
2. The snake sofa will no longer be ridged, but flat/smooth to save for budget/time.
