General Notes:

1. The Production Meeting this Friday, August 29th from 10:00am to 10:30am will be held in the Semel Theatre Lobby.
2. Paul Hoover will be the fight captain and on Friday we will choose a secondary fight captian if Paul is not at a particular rehearsal or performance.

Scenic:

No notes at this time, Thank you!

Prop Notes:

1. Along with the furniture that Ron will be brining on Monday is it possible to add a Card Table, Rolling Office Chair and a Side Table. These are 3 other furniture items that we don't think we'll have anything in the rehearsal hall to estimate their size and shape.
2. After looking through the props that were dropped off yesterday we would still like to get more books, a library stamp, a purse for the Librarian, the ankle bells for the Indian as well as a cell phone, computer, magazine 2-way radio, and a backpack.

Costume Notes:

1. We won't need it for a while but will we be able to get a mock pregnancy belly in rehearsal for Mrs. Swanson?

Lighting Notes:

No notes at this time, Thank you!

Sound Notes:

1. Alta spent part of yesterday and today's rehearsal creating a rehearsal qlab file so that we can work with the sound effects in the dropbox during rehearsal. She found that we are in need of a phone ring, small baby gurgling and Beethoven's 9th. Would you be able to put preliminary versions of these sound effects in the dropbox for rehearsal?
