General Notes:

1. Act I read thru came in at 1 hour and 2 minutes and the Act II read thru came in a 59 minutes for a total of 2 hours and 1 minute without an intermission.
2. A few scenes into the Act II read thru a large noise that caused the room to vibrate started and we didn't know what was going on so Billy ended up calling public safety who told us that the generator for the building runs a test every once in a while which is what we were hearing. After about 7 or 8 minutes the generator turned off, the sound subsided and we were able to get back to reading thru Act II.
3. On p.73 the Attendant 1 lines will instead be said by Attendant 2.
