<b>General Notes</b>
1. Today's rehearsal went very well! We were all eager to hop on our feet, after being snowed in for a few days. Energy in the room was high, and we got all of what we wanted to get done, done.
<b>Scenic Notes</b>
1. We were wondering if there were plans for a sink onstage? If not, David washing his hands in scene 1 can be thought out in a diferent way.
2. We would love if the refridgerator would be able to open. Is this a possibility?
<b>Prop Notes</b>
1. We would love it if the "Wine" Michelle is drinking in scene 1 could be a white wine. Thanks!
2. We would like it if, in regards to the sash in Scene 1, that some newspaper could stick to the back, and some badges would be able to fall off, and be stuck back on. How possible is this? Thanks a ton.
3. We would love a cell phone for when Kevin enters towards the end of the first scene.
4. For Janet's lines with Brianna at the end of scene 1, we would love some sort of purse, containing various items. Cell phone, make-up, etc.
5. Please see Scenic Notes 1 and 2. Would hand sanitizer be an alternative to a sink?
6. Stage management would love to chat about setting up a meeting, please email Matt to discuss! Thank you.
<b>Costume Notes</b>
1. Please see Prop Note number 4, with regards to the purse for Janet. Thanks!
