<b>Prop Notes</b>
1. For Act 1, Scene 3, when the girls are working on their crafts, could we have 8+ dowel rods? Thanks!
2. For Act 1, Scene 3, when the girls are working on their crafts, would it be possible to get lots of ribbon, of different colors? This, as well as the dowel rods, we would like to be in a container of some kind. Thank you.
3. We would also love for there to be a glue gun for Act 1, Scene 3.
<b>Costume Notes</b>

<b>Lighting Notes</b>

<b>Sound Notes</b>

2. As discussed in-room during rehearsal, we would love some sounds of girls screaming to augment their actual screams in act 1, scene 3, as well as to play on their own throughout the scene.
