
General:

1. If actors will be "riding" the onstage fire escape ladder, they will need to wear a safety belt. Currently we are exploring getting 1 safety belt that would fit Rhys Scheibe and Ryan Juda. Please contact costumes for these actors measurements. As blocking continues, please notify Production Management if an additional belt will be required for Jordan Gross.
2. Brian & Keith will be sending out more information in regards to these ladder safety belts.
3. Bios are due this Wednesday, 2/24. Please send these to Company Manager, Emily Pathman.
4. There is a "cleaner" copy of the script available in the Script section of the Dropbox.
