

Life is a Dream, La Vida es Sueño

Rehearsal Report

Location: **Semel Theater**
Date: **Wednesday, Sept. 16th**

Start Time: **7:00p**
End Time: **10:30p**

Rehearsal #: **6**

General Notes:

- There will be a fresh copy of the script “Rehearsal Draft 1” tomorrow. All previous versions are being considered “Pre-Rehearsal” and will be out of date.
- Just a reminder that this week’s production meeting is no longer Design Presentations. It is now a regular ole production meeting. ☺
- We worked through some opening movement and worked through the text of Act I. It was pretty-dern-spectacular.

Scenic:

- Great to see you again Corey!
- Thank you for the model. It is very popular in our rehearsals!

Props:

- No notes at this time. Thanks!

Costumes:

- Can we have 7 or 8 pairs of knee pads? Sarah says that Ted might have them but I thought I would ask you first. We hope to use them starting Tuesday.
- Is it possible to get a couple pairs of elbow pads too?

Lighting:

- No notes at this time. Thanks!

Sound:

- Melia loves the idea of a Cajon or some sort of percussive instrument. We have 3 or 4 actors who feel comfortable using this.
- We absolutely LOVE the song in the “Tower stuff, Goya” folder. So good. We are planning on implementing it during Siegismundo’s entrance.
- We are thinking about underscoring for the first time Siegismundo talks about Rosaura and Bassilo’s first speech.
- You are amazing. <3

Production Management:

- We are probably going to be moving our schedule around next week due to holidays. I will give you specifics as soon as I have them. Thanks!

Stage Management:

- We need to be sweeping on a daily basis what with all this rolling around on the floor.
