REHEARSAL SUMMARY

Today, we continued scenework for specific actors, brushed up our fight, and did a run of Act One of the show. We also had our new contributions to the cast—4 of the five choir members as well as all 7 additional cast members! It was great to have a new audience for the show to gauge how Act One is being received, and we are in a good place with scenework before going back into the Greene on Thursday!

Today, Act One ran at 1:09:53—a little speedy, but we still have to stage in our choir songs!

GENERAL NOTES/ALL DEPARTMENTS:

1. We have moved into the Semel theater to accommodate load in, and will return to the Greene on Thursday (9/24) for our designer run (pending load-in progress).

SCENIC/PROJECTIONS:

1. The lines of texting dialogue will be emailed to you this evening for projections.

COSTUMES:

1. Could Lennie's pants have pockets in them (big enough so he can put his hands inside)?

LIGHTING:

1. No notes at this time. Thank you!

Please contact Charlotte Morrill, stage manager, with any questions or concerns.

PROPS:

1. Could the gun tackle box be weighted more so it doesn't lift up when we open it? Also, could whatever miscellaneous items in the box that are not the gun be secured or heavier so that they don't risk falling out when the box is opened?

SOUND/MUSIC:

1. For the first two classroom scenes we would like the sounds of footsteps and bustling students leading into the scene. The final classroom scene (Scene V) will *not* need this effect.

DRAMATURGY:

1. No notes at this time. Thank you!

GENERAL MANAGEMENT:

1. No notes at this time. Thank you!

PRODUCTION MANAGEMENT:

1. Thank you so much for securing us the Semel! It makes our lives significantly easier this week.
