PERFORMANCE SUMMARY

- Congrats all on a splendid second show today! In terms of the technical elements - it was probably the cleanest show we've had so far. The audience was a little more reserved, but definitely enjoyed moments like Sara Li's accent drop, Gerta and Lou Lou's entrance, the "disturbing window into your psyche" moment, and "gift cards". There was a "slow-burn" on the entrance of the phalluses during the waltz. Overall a great show! We'll see most of you at strike tomorrow!

GENERAL NOTES/ALL DEPARTMENTS:

1.) No notes at this time, thank you!

STAGE MANAGEMENT:

1.) A. Wittner almost fell down the stairs in her heels today during the slap sequence so let's make sure she's comfortable during fight call tomorrow.

SCENIC:

1.) No notes at this time, thank you!

COSTUMES/HAIR/MAKEUP:

1.) T. Brungrabber's left shoulder armour was broken so Brian removed it right before he entered - can we take a look at it tomorrow?
 2.) See props note #3 regarding T. Brungrabber's helmet visor
