REHEARSAL SUMMARY

- We had a very productive rehearsal this evening. We started with Design and Dramaturgy presentations for the cast, then ran the dance numbers we have choreographed for Lee, then read through the new draft of the script. Thank you to all who attended!

GENERAL NOTES/ALL DEPARTMENTS:

- 1.) We have a new draft of the script that we will call "Version 2". It is available in the "Script" folder of the Dropbox. Let me know if you would like a printed copy and did not receive one! PLEASE NOTE however that more changes are to come - this is NOT our final draft.
- 2.) The most significant change to this draft involves the appearance of the new Muslim character via Skype on page 20. Although the script calls for a projection - we have decided on a computer screen rolled in on a cart. She will make another appearance later in the play, but this has not been written yet.
- 3.) Our run-time today without the musical numbers was 1:07:00. We anticipate a final run time of around 90 minutes.

SCENIC:

- 1.) Thanks so much for your presentation today!

COSTUMES:

- 1.) Thank you so much for your presentation today! See general.
- 2.) Is it possible to get a pregnancy belly in for rehearsal?
