## **GENERAL NOTES:**

1. No general notes at this time, thank you!

## **DEPARTMENT NOTES:**

## **SCENIC:**

1. We are choreographing the scene shifts with solely the acting company, do you know at this point if the door way and window will be able to be set and struck by one person or should we plan on needing a team effort?
2. Would it be possible to have the boat's name on one side of the insert that will hang in the window frame in Abilene's room? That way for the scene shift the frame just needs to be swung around opposed to replaced.
