REHEARSAL SUMMARY

Today, we did a run of the first three acts of the show. Our actors were off book for the most part and had a good sense of most of their blocking! It seemed like the text cuts had helped the time somewhat, however we stopped and started a few times so we weren't able to adequately time the run this evening.

Tonight was our last rehearsal until after winter break.

COSTUMES:

1. What is the progress on a mock brace/hump for Susannah to work with over winter break? She will be around until the 20th to pick it up.

2. Is there any way the knees of Mary Krantz (Clarence's) pants could have slightly padded knees? She is on her knees and moves around a lot on them during 1.8, as well as falling on them during the fight in which she gets stabbed.

LIGHTING:
