### GENERAL NOTES:

1. Nothing today! Thanks everyone for the hard work!

---

### SCENIC:

1. Do we have a plan to have a "cook top" for boiling pots, etc? Is that going to be a part of the grill?  
It would be great if it could have two burners for pots.

---

### PROPS:

1. Could we get the service bell into rehearsal as soon as possible? It would be nice if the actors could start practicing with it as they learn the music.

---

### COSTUMES:

1. Great meeting today! Thanks!

2. The first time we see Caleb he should look like he is "in business." It doesn't have to be a suit, but it should be something that feels foreign to him.
