

## REHEARSAL REPORT

**Rehearsal #:** 24

**Day/Date:** Monday, September 28th

**Location:** Paramount Studio 4

**Start:** 7:00pm

**End:** 10:08pm

---

### REHEARSAL DESCRIPTION:

7:00pm - Work scenes/songs in both Act I and Act II

10:08pm - End of Day

---

### GENERAL NOTES:

1. Tonight we were unable to do a full run as two of our actors (Monica and Devin) were out sick. Instead we worked selected scenes and songs, still making lots of progress throughout the evening.

**2. The plan is to do a full run of the show starting at 7pm, tomorrow, Tuesday 9/29. Please join us if you can!**

---

### SCENIC:

No notes today. Thank you!

### PROPS:

1. Thank you for the suitcase! Could it be made "less pretty"? It looks very new right now.

2. Prior to rehearsal, stage management went to pick up the oatmeal bowl and tested the action that the actor does with the prop. When holding the bowl from the spoon handle, the bowl fell off and smashed on the ground. We have disposed of the bowl pieces and left the oatmeal with spoon attached in the prop shop as we will need another bowl. So sorry! Never even made it to rehearsal!

3. Would it be possible to clean Hannah's rug that she shakes out on the porch? It is actually dirty, and is getting dust in the actor's eyes.

4. Could we get a bigger mixing bowl?

5. At our last rehearsal we cracked one of the Applejack glasses. We have fixed it for now, but will need a new one for performances.

---

### COSTUMES:

1. Hayley Mason's shoes will be dropped off at the costume shop prior to her 4pm fitting tomorrow, Tuesday, 9/29.

1. Just a reminder that Colin and Spiro have a meeting on Wednesday at 4:30pm.
