Scenic:

Props:

1. The blanket Diane uses in the living room in 1.2 should be a quilt.

2. The size of Justin's duffel bag is good, but it should be less beaten up.

3. For scene 1.3, is it possible to have a bunch of "premade" decorations for Kerry and Justin to set up, such as more banners or centerpieces? We would like to keep the streamers, but get some less complicated decorations as well.

4. The salad bowl Justin drops should be very large.
