#### 4) Of Importance to All

1. Tonight we worked with cake in the fight choreography. We will most likely need to discuss this more in depth at our production meeting on Friday. We loved the way it looked, but stage management had a difficult time cleaning the cake off the floor quickly.
2. Tomorrow will be our family photoshoot.

### Scenic:

---

1. Stage Management will get scenic Kelley and Zeke’s photos tomorrow.
2. Please see Props Note #5.
3. We are hanging three happy birthday decoration signs on the stage left wall section before the coat hooks fall. Will this cause an issue?
4. We are looking forward to the family photoshoot tomorrow and will have theatrical lighting available.

### Props:

---

1. Stage Management was having difficulty getting the bed in the upright position. We could lift one end into position, but it was unstable.
2. Are we able to use the bookshelf and side tables from the back hallway in the Greene?
3. Thank you for the cake and for coming to rehearsal tonight! Costumes will be testing the three cake types.
4. Stage management had a hard time cleaning the cake off of the floor quickly, especially the frosting.
5. The rug got splattered with cake, along with the stage right chair and part of the couch.

### Lighting:

---

1. No notes at this time, thank you!

### Costumes:

---

1. Stage management will be in contact with Brian about crew needs for wardrobe.
2. Thank you for the pajamas and shoes for tonight! It was great to have you at rehearsal!
3. Renata's rehearsal shoes are too large (in the heel) for her to fight in. Is it possible to get another pair?
4. Thank you for the costumes for tomorrow's photoshoot!
5. Tonight, Renata got cake in her hair, all over her face, and her costume.
6. Please see Props Note #3.
7. All shoes got cake on the bottoms.

### Sound:

---

1. If we are able to get rights to two Beach Boys songs, we would like "Wouldn't It Be Nice" and "In My Room."

### Production Management:

---

1. Stage Management took the last tub of baby wipes from 609. We may need more for performances to wipe cake off actors' faces and hands.
2. Please see Props Note #4. We had to use soapy water to clean the frosting off, which made the floors slippery.
3. Some cake was tracked out into the hallway of the Greene and the Lobby. Stage management cleaned it to the best of their ability, but there is still some left. A work order was placed.
4. Maggie took a shower in the dressing rooms this evening after our cake rehearsal and we gave her a dressing room towel. Can this be washed?
5. Stage Management left the hospital bed upstage in the Greene. It is not easily moved through the doors and we did not want to block the exit to the Greene. Please let us know if this needs to be moved.
6. There is a weapons roadbox in the Greene upstage.
