2. Act I ran at 49:43 and Act II ran at 39:00.

Scenic:

1. Will there be masking on stage left and stage right? We are wondering what the sightlines look like for backstage.
2. Abby has shifted the hospital bed, Diane's side table, and the chair in Diane's room stage left on the platform by around 6 inches.

Props:

1. Thank you for stopping by rehearsal today and figuring out the bed! We would like to play with having the back at different heights during the performance.
