### Scenic:

---

1. We worked with the large blue hospital blanket today. Does that get tucked under the mattress?
2. Do we have enough space on Diane's side table for the lamp, flower vase, sage bowl (Please see Props Note #4), and pottery piece?

### Props:

---

1. We have the hospital bed in Studio 9. This is the only piece of furniture we found.
2. We used both pillows today and would like to keep them.
3. Please see Scenic Note #1 and #2. (cont'd)

## Rehearsal Report #20

Emerson Stage

4. How is the sage operated? We have been using tin foil around the bottom to hold it by, and we would like a plastic bag for Renata to put it in when she is done with it onstage.
5. To clarify from a previous meeting, is Renata putting the sage down on some sort of bowl? She puts it down on Diane's side table.
6. Can the radio piece Paul tinkers with be held in one hand? Paul stands up with it in one hand and the screwdriver in another.
7. Joe is happy with the phone case we currently have for Diane.

### Lighting:

---

1. Following the Designer Run on Tuesday, provided we are in the Greene, Joe is fine with taking a bit of time to look at the actors under the light.
2. On page 13, Renata says "I'm here!" from downstage of the stage right living room chair.

### Costumes:

---

1. Please let stage management know when would be a good time to drop off costumes from the photo shoot in the shop.
2. Will we be able to get a rehearsal necklace for Renata for tomorrow's rehearsal?

### Sound:

---

1. To confirm, we will not hear the jeopardy answers when Diane says "What is answer?", correct?
2. We will be recording Diane's Jeopardy question on Tuesday, 3.1 at 12:15p.

### Production Management:

---

1. Where should stage management leave the hospital bed for it to get to the Greene on Tuesday?
2. Please see Props Note #1.
3. Please see Lighting Note #1.
