

THE HOUSE OF BERNARDA ALBA

REHEARSAL REPORT

Rehearsal Report: 12

Date & Time of Report: Tuesday, October 11

Next Rehearsal & Location: Wednesday, October 12 Paramount, Studio 5

GENERAL NOTES:

1. No notes at this time. Thanks!

SCENIC

1. Can we discuss using a larger table? It came to our attention today that the table proposed from stock will not be large enough for all of the daughters to sit around and Damon would like a table of approximately 7 / 7.5 feet in length. Please look out for an additional email from Stage Management for details about this.

PROPS

1. Please See Scenic Note 1.
2. As far as the oil lamp goes, Damon would like a shorter oil lamp so it does not block Bernarda's face from audience view. It is also a practical and will be carried offstage by an actress.
3. We will need some loose hay for Act III when Adela emerges from the stable. This should just be evident on her clothes / in her hair. (Hypoallegenic / fake hay if possible, the actress has an allergy).
4. Can we have one larger tray for the Servant to use to clear the table after the dinner scene?
5. Just a reminder that the food scraps at the top of Act III should be vegetarian and GF if possible for actress' allergies.

LIGHTING

1. Please see Prop Note 2.

COSTUMES

-
1. Please see Prop note 3.
 2. Will Poncia and the Servant be in petticoats when they re-emerge for the last scene in Act III?
 3. Will Kelley need to take off her wig for Act III when she returns with “tousled hair”?

SOUND

1. Can we sit down some time and confirm a list of sound cues in prep for our runs in rehearsal? I just want to make sure we are on the same page.
