PROPS

1. Thanks for coming to our run tonight!
2. Is it possible (and safe) to have Bernarda drop the gun in Act III?
3. Can we have a coffee table that is slightly taller and does not have fake drawers?
4. Damon would like to see if we have access to a slightly taller stool.
5. The metal dessert tray is a great size and shape but its color stands out onstage. Is there a way to change the color to something more of this world? Perhaps a brass color finish?
6. Can we have some cloth napkins for the dinner scene in Act III? (approx. 7?)
7. Do we have access to one more armless rush bottom chair?
8. Adela's fan should be black with red flowers with green leaves painted, printed or embroidered on it. Ideally it should look the same as all the others except when it is opened.
