PROPS

1. For the glasses on the dinner table at the top of Act III, can they be a bit “wine stained” and have some visible coloring / marking / pooling at the bottom that indicates red wine was drank during the meal?
2. Additionally, can we reinforce the table and benches for the actress who stands on them later in the Act? There is a little bit of wobble action that has the actress and Damon feeling nervous about her standing on it.
3. Is it possible for us to try using the stuffed animal lamb in rehearsal? We can return this to the prop shop after rehearsals.
4. Thanks always for bringing us furniture to play with and being very on top of providing us with rehearsal props!
