## **SOUND**

---

1. Could not get a time in the cue for the woman's scream—the cue was too short! Lets talk more about this Friday.
2. Can we make sure to put a cue after Maritirio's line: "I'll see you dead first." on p.60? The intensity and volume should increase significant;y here.
3. Overall for the crowd cue, we need more intensity for a longer period of time.
4. Need a cue that ends its bell sequence—even when ending the cue between rings, the echo of the bells after it stops ringing doesn't have time to play out and sounds weird. Lets talk more about this on Friday.
