PROPS

1. Can we have some thread for rehearsal? As far as the final prop goes, we are thinking of storing a basket of sewing supplies in the cupboard portion of the hutch for the scene at the top of Act II.
2. Is it possible to have sheets of fabric for Angustias to cut at the top of Act II? We will store extra sheets of fabrics in the cupboard portion of the hutch as well. Damon would like if she could actually be cutting the sheets of fabric.
3. For the lace that Magdalena, Martirio and Amelia carry in Act II from Don Arturo—Martirio's lace should be more elegant than the others. Not so elegant that it would fit in the world but enough to cause the other characters a moment of pause when considering why she has it.
4. Is the coffee table able to be sit upon?
5. Thanks again for all of the rehearsal props! They are amazing!!
