PROPS

1. Thanks for the lantern!
2. Any update on the Hay? Can Costumes get this ASAP?
3. The sausage jar is a little difficult to close...is there a way we can attach the metal clasp to the ceramic top of the jar?
4. Can we reinforce the legs on the sewing table? One is a little wobbly and catches on the floor at times when it is placed in the Transition.
5. For the wine Glasses, can we use another substance besides the fake blood for the wine stain? It has not dried and makes unrealistic drips up the side of the cup.
6. Also, just a reminder that we need some grape juice / liquid that will be wine still left in the bottle at the top of act III. M. Moriya then pours it into her glass and finishes it off each night.

LIGHTING

1. Transition into Act III will now require us to enter during day time and proceed into night while the family is eating dinner.

COSTUMES

1. When K.Davies put on her shoes tonight, she said they cause a slight allergic reaction and made her feet itchy. We gave her anti-itch cream from the first aid kit and it seemed to help but I just wanted to let you all know. She did not feel comfortable wearing the shoes the rest of the evening because of this.
2. See Prop Note #2.

SOUND

1. We are looking to open Act III with whispers reminiscent of the earlier preshow cue.
2. Just double checking that we are planning on starting the drone cue after the first instance of dogs barking.
3. Please look out for an email from Damon.

COMPANY MANAGEMENT

1. Can we get access to the House of Bernarda Alba Facebook Event for actresses to share to friends and family?
