PERFORMANCE SUMMARY:

GENERAL NOTES:

- What a fantastic ending to a truly wonderful show. The cast was so open and honest with the audience, and though the audience was a bit subdued, they were attentive. Some audience favorites were the Corporal, the G1 to G2 hand off, and the old couple wanting a divorce. Alex's punt of the pillow was a 10! Shauva's jazz hands were awesome! And all of the songs sounded so beautiful. Overall a great performance and an amazing run!
