DEPARTMENT NOTES:

SCENIC

1. Thank you for joining us and helping us grab some props today!

PROPS

1. We got a great haul from 4M this morning. Maddie has a list of what we grabbed if you would like it.
2. We would like to ADD 4 metal spoons to be used on our wonderful washboards to make music.
3. Courtney had a thought about Simon's necklace mentioned on Pg. 10, what about Irish worry beads?
4. Do we have any more cots? Or sleeping bags? We want to make it look more like people are sleeping in the theater.

COSTUMES

1. Please see the email from Reagan concerning fitting times for next week.

LIGHTING

1. No notes today, thank you!

SOUND

1. Thank you for joining us today! Wow we have a talented cast!

VOCAL COACHING

1. No notes for today, thank you!

FIGHT CHOREOGRAPHY

1. No notes for today, thank you!

DRAMATURGY

1. No notes for today, thank you!

PRODUCTION MANAGEMENT

1. We will be having design presentations on Friday and will need a media cart/way to show a PowerPoint.

COMPANY/GENERAL MANAGEMENT

1. We talked about it today, but just a reminder that Courtney requested that the cast not have roles in the program. Alphabetical by last name is fine!
2. During a barefoot actor exercise, Alex H. injured his big toes due to friction on the marley floor and dead skin from presumably many hours on the beach. We sterilized and treated the wounds and he wore shoes for the remainder of rehearsal. He also went to the Health and Wellness Center this evening to get it looked at. We will check in with him about how that goes.
3. There was a question about actors attending production meetings. Would it be ok for them to attend a production meeting? What about for a different show? We think this will benefit the cast's knowledge of how EmStage works.
