- Whoohoo! What a great designer run! We ran at 2hours and 8Minutes, with the intermission falling at 1:10:00.

DEPARTMENT NOTES:

SCENIC

1. Thank you for your awesome presence tonight!
2. Is there any way we could use the chairs in the Black Box for the Audience seating on the stage? The ones we are currently using do not fit the number we were hoping (15) and currently only fit 12 across each row.
3. When will we be able to incorporate the chalk on the floor?
4. Keith, the actors seemed okay with the ladder as is tonight. We will check in again on Saturday and let you know!
5. The top level, Stage Left has a very large bubble.
6. Abby, will you be dressing the set tomorrow? Maddie would like to have the back hallway clear of excess pieces.

PROPS

1. Thank you so much for your fantastic presences this evening!
2. Please see Lighting Note #2.

COSTUMES

1. We're a little concerned about Khyati's shoes. Is there any way we could add a back strap around her heel?
2. We would like either a different "fine linen" or "rag" for the life vest that is a different color than what we currently have.

LIGHTING

1. Thanks for being there for us!
2. We are concerned about the chord for the ghost light, as it will be in the way of the audience exit. We'll need to talk more about the possibility of it being cordless; props said they might have a solution.

SOUND

1. Thank you for joining us! Have a super quiet hour(s)!

VOCAL COACHING

1. We believe you will be able to meet with Abbey Saturday at 11:30am. Location pending.
