GENERAL NOTES:

- What a great first 10/11.5! Thank you to all who have put in effort for this production.
- Please remember to refrain from using the freight elevator!

DEPARTMENT NOTES:

SCENIC

1. Thank you for getting the stuff out of the hallway. There is still the big armchair hanging out backstage, any update on where this will be going?
2. Thank you for dressing the space! It looks nice and homey!
3. Please see Production Management Note #1. Do you have any input on what these structures should be? Let us know!

PROPS

1. We had a few mishaps today:
 - a. The cot ripped during the bridge moment.
 - b. The Carousel horse re-broke its leg.
2. Thank you so much for the wonderful Piastres, cheese, popcorn, spoons, and fans!
3. Do we have an estimate of when we will be getting the adhesive for the dressing on the Gal?

COSTUMES

1. Thank you for everything! Looking forward to exploring options for Lizzie.

LIGHTING

1. Thanks! Can't wait to see scene 5!

SOUND

1. Thanks for all you do! Looking forward to all the mini amp possibilities with that new cord!

VOCAL COACHING

1. Thank you for coming in today! Hope your time was fruitful!

FIGHT CHOREOGRAPHY

1. See you tomorrow from 11:00a-12:30p.

DRAMATURGY

1. Can we schedule a time to talk about what you will need from the crew in terms of the lobby changeover?

PRODUCTION MANAGEMENT

1. Can we have 2 sturdy surfaces for prop tables offstage? We were thinking of the round tables (currently being used as tech tables? I think we have more?) or a rehearsal cube from the trap for top of day tomorrow?

COMPANY/GENERAL MANAGEMENT

1. If you could possibly come listen to our house announcement when you get a chance, we have some hesitation about length and would love your input.
