REHEARSAL SUMMARY

We had a great final dress rehearsal this evening! We began a couple minutes late because fight call ran a little long, but we should be all set in terms of fight call tomorrow. We worked some puppet moments and handoffs prior to the start of the run as well. Everyone was great tonight at rolling with the various technical and calling challenges that came our way during the run. I personally found *Everywhere That You Are* to be especially touching tonight!
