1. Is the Garden Fence and Peach Tree stable enough to have puppets crawl around them and lean the axe against the fence?
2. How is the Garden Fence standing up? Does it have supports on the back of it?
3. We would like a practical lamp for the Painswick Orphanage scene.
4. We would like the Garden Fence to be 6' 3" long. If construction has already begun on this, we can set it so only 6' 3" is seen and have the rest of it extend into the wing.
