REHEARSAL SUMMARY
Had a bit of an emotional beginning of the evening, but we collected ourselves and pushed forward. We did some solid work on the Rolling Peach Puppet sequence and figured out how the music and the lines work together. We also did a considerable amount of work on <i>Floatin' Along</i> as well.

General:

1. If you'd like to attend rehearsal tomorrow please notify Stage Management.

Director:

1. No notes at this time, thanks!

Scenic:

1. Thank you for visiting at the top of rehearsal this evening, and for the 2D Peach puppet!
2. We are discussing having Ladahlord (D. Cortez) enter up from the SR side of the puppet pit at top of show. What kind of ladder or staircase would we need to accomplish this? Thanks!
3. Please see Kayla's email from this evening for specific 2D puppet requests. Thanks!

Lighting:

1. We explored the idea of at top of show having the Magic Bag be slid onstage to DCS or be tossed up onto the deck DCS from the puppet pit and we'd like a bump cue to "reveal" it to the audience. Thanks!

Costumes:

1. Can we have the bloomers appear from M. Ciabotti's person on p. 47 during *Floatin' Along*? We would like for the bloomers to come from a tiny item, like a coin purse or something. Thanks!

Props:

1. Thanks for coming in at the top of rehearsal today!
2. Still cannot locate eyedropper. Can we get another one? Thanks!

Puppets:

1. No notes at this time, thanks!

Sound:

1. We are cutting the overture.

Production Management:

1. Is someone from Production Supervision available to come with SM to Paramount field trip 2p-3p on 9/29? Emily is only one from SM available. We will meet at the Paramount Mainstage Lobby at 2p. Thanks!
2. Is the schedule of technicians on call for performances something that will be covered in the Load-In Discussion on Friday? If not, when will that be established? Thanks!

3. Do we have a portable printer available for SM and Wardrobe use in the Paramount during tech? Thanks!
