Info/Questions

1. We love the pink wallet for mother, thank you!
2. Is there a plan for cooking/heating up the chicken?
3. Maureen had Jesus on the mind today. At the production meeting this morning, we selected the Jesus image with the light blue background, but Maureen likes the beard on the other image better. If the darker one can be lightened up, we'd like to go with that one, but if not, we'll stick with the one selected today.
4. Thank you for the pot holders! We'll use those instead of the oven mitt.
5. Can the detergent box please be emptied? Powder started coming out, and it is also adding a lot of weight to Mother's already heavy laundry basket.
6. Five cigarettes are smoked in the show. Mother smokes one, and we would like to mark this somehow as hers. Arlene smokes three in Act I and one in Act II. Will we be re-using one of them for Act II?

Lighting

1. There is still the possibility that we will want to use a cue light on the upstage side of the apartment door. Is this an option?

Costumes

Info/Questions

1. We worked Arlene's scene when she is wearing the towel, and it kept slipping down on her.
2. Will we be getting an identical duplicate of one of the necklaces we are using in rehearsal for the Ronnie scene? We are currently using two different necklaces.

Sound

1. We've been running the school bell cue for approximately 4 seconds.
