

KING LIZ

REHEARSAL REPORT

DATE: Wednesday, November 30, 2016

LOCATION: Studio 7

REHEARSAL #: 3

REHEARSAL DESCRIPTION:

- This evening we continued doing table work and discussed Act One, scene Three, Four, and Five. A lot of good discussions were had that dove into the characters backgrounds and motivations. We have also taken some time as went through the scenes to work on the vocal speed and intention behind some of the lines, specifically with the vocal demands of the Semel being kept in mind. A very successful evening of table work.
