## PROPS

1. Are there ideas about how many bags will be on stage at the top of Act II. We will need five larger sacks (including Marie's sack), and an assortment of smaller ones.
2. Can we get a few small tags to use so that the monks can mark the different bags (Name of Saint, destination) while organizing them?
3. Will we have more loose bones at the top of Act II to take out of the bags?
